

To Avantgarde GmbH, Mr. Martin Peirl.

We have been in contract and cooperation with Mr. Peirl from 12.9.2022. Our cooperation and contract is continuing.

Mr. Peirl has delivered us services for market study and market entry in D.A.CH region (Austria, Germany, Switzerland). Scope of the assignment has been as follows:

- Identification of relevant companies according to 3 target groups – long list + Initial communication – compilation of short list with those interested to proceed with RMV Tech
- In detail preparatory work this interested companies to go for a project
- Support in contacting, communications and on-site visits with potential customers

We have been very pleased with the work delivered by Mr. Peirl. Work has been very thorough and systematic, providing us very good overall picture of the market and multiple leads and contacts for potential customers. Mr. Peirl has delivered extremely professional and reliable services with very good connections to the target market.

We can highly recommend his services.
